Whereas my experience while acting  
in the capacity of Commandant of the Eastern Camp of  
instruction for conscripts known as "Camp Ford," and <sup>subsequently as</sup> the  
enrolling officer of the 3<sup>rd</sup> Central Dist of Texas has led  
me irresistibly to the conclusion that a great many abuses  
have been committed by the Enrolling officers of conscripts  
within the limits of Texas which facts have never transpired  
at the Head Quarters of the Conscript service, and  
whereas Commanding Generals west of Mississippi are vested  
by the Secretary of War with full authority to issue orders  
to Commandants of conscripts, I would therefore in view  
of these facts respectfully request the Major Genl Comm  
ordering to assign me to duty as supervising Enrolling  
officer of the State of Texas. Should my request be accepted  
I will use my best endeavors to correct all abuses  
which may have been heretofore committed and to

When I raised

the company which I had the honor to command on Galveston island the fond hope animated my bosom that it would be my privilege to lead it on at some subsequent time to meet the enemies of my country on the field of battle, while this hope was still cheering my heart with its happy influence, my company became disaffected towards me on account of the stringent discipline which I was always ready and prompt to enforce. The tide of opposition rose so strong against me that I tendered my resignation to the department as you will no doubt recollect, not with any desire of having it accepted as any one acquainted with the use and application of language will perceive at once from its verbiage, for I did imagine that the department would sustain me in the strict course of discipline that I was inclined to pursue, but simply for the pur-

pose of gifting the company by showing  
it that I had made an effort to resign.  
and although I am too good a soldier to  
question the wisdom of the department  
in putting me on detached duty I will  
at the same time confess that it was  
a matter of regret and disappointment  
to me. I have endeavored to discharge the  
duties incumbent upon me as mustering  
officer to the best of my feeble ability, but  
now I am free to confess that an ardent  
desire has taken possession of my breast  
to serve my country in the field, I do not  
wish it said of me when this war is  
over that although I actually held a  
captain's commission in the army of  
my country that I had never raised  
my arm in her defence. Although I have  
no claims upon your generosity yet know-  
ing as I well do the honorable motives and  
high sense of justice by which you are  
actuated I have ventured to address  
you this letter for the purpose of end-  
eavoring to prevail on you to use  
the influence which you possess with  
the Commander of the military depart-  
ment of Texas to have me assigned to

duty in some company which may  
be at present without a commander,

Genl:

I am reluctantly compelled by the force of circumstances over which I have no control to leave upon your notice I am about to select a favor & your kind promise to which however I deem it my duty to make your request but I am not at all ignorant of the position

A short time after the commencement of the present war I was commissioned in the 1<sup>st</sup> Cavalry Edward Biddle at that time governor of the State had sent to enroll a company of artillery for Westchester & in my first union we received orders of this commission I was in reporting the facts, he early of the State troops ordered to report for duty to the new regt Genl Moore at that time commander of the 1<sup>st</sup> Regt of Artillery, I was by his order transferred into the service of the Confederate States to the service of the war. In my arrest in Galveston after I had been directed to take up the line of march it was formally attached to the Battalion of Artillery which major Genl G. G. Keith was engaged in organizing. I continued in command of my company until I was detached from it by command of Genl in Artillery then commanding the 1<sup>st</sup> Regt of Texas to act in the capacity of instructor of the 1<sup>st</sup> Regt. I continued to discharge the duties of this office giving I believe abundant satisfaction to the Army Genl

Remained until the passage of the conscript law  
rendered his services in that capacity no longer  
necessary. I was then at my own request appointed as  
acting officer of conscripts for Freestone County in  
conjunction & assigned to duty every able bodied man within  
the limits of the county of which I was commander.  
It was on officially announcing the fact at that time  
ordered to report to Major Genl. Magruder as  
as Superintendent of conscripts & was in command  
to duty as commander of the 2nd Division of  
Instruction for conscripts situated in the im-  
mediate vicinity of Tyler Smith County Texas. On  
my arrival at that point & finding the camp  
established the duty of organizing it consequently  
devolved upon me. After infinite trouble & suc-  
ceeded in organizing the Camp & carrying it into  
successful operations & during the time that I com-  
manded it instructed & sent to the seat of war  
and trained conscripts. In the course of time I  
succeeded to the command of the military post  
of Tyler by seniority. I continued to serve in this  
capacity until I was finally relieved by command  
of Major Genl. Magruder at the urgent solicitation  
of Col. Webb Smith for the purpose  
of commanding a body of conscripts to Mexico. In  
the process of time it became necessary to  
to report for duty to Major Genl. Magruder &  
was by his command assigned to duty as  
Enrolling Officer of the 3rd Cavalry Dist of  
Texas. I was finally relieved from this position.

at my own request for the purpose of joining  
into active service in the field. There being no  
position in the field at that time however to which  
I could be assigned without prejudice to me  
as I was appointed what that part of the 1st  
regiment which position I still occupy.

The request which I have  
to desire is that I may be assigned to some duty  
not connected with the State Troops in which I  
can render better & more efficient service to my country  
than I am doing at the present time.

Relative to my qualifications  
as an officer I can furnish the most unequivocal  
references if required. Trusting that you will give  
this matter your favorable consideration. I remain

Respected Sir

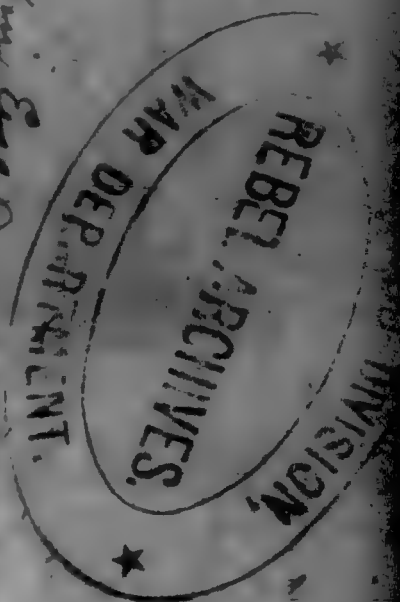

The object of this letter is to endeavor to enlist your sympathies and secure your influence in a matter in which I feel the utmost solicitude and concern. It has been a cherished desire of mine ever since the commencement of this war to be placed on active duty in the field, feeling as I do that I could render better and more effective service in ~~the~~ field than elsewhere. Desiring to subserve to the best of my ability the interests of my country and animated by the hope of meeting her enemies on the field of battle I raised a company a short time after the commencement of actual hostilities which I tendered to Col Moore who was at that time the commandant of the Mil<sup>itary</sup> District of Galveston. The company was accepted and placed in the Battalion of heavy artillery commanded by Major J. J. Cook. I remained on Galveston Island for some time attending assiduously to my duties when my health becoming bad I was put on detached duty by the Department on which I have remained ever since. As to my qualifications as a drill-master and my abilities as a commandant I flatter myself that they are of a superior order, and <sup>now</sup> I feel an irrepressible desire to exercise such qualifications and abilities as I may possess in defence of the liberties and rights of my native South. I would hate to have it said after the war is over that I had not raised an arm or fleshed a blade in my country's ~~cause~~ <sup>cause</sup>. If you can manage to have me assigned to duty as Captain of a company of Cons-

December 30 1864

Dear Mother

This is sent by the owner of the commission  
some supply of goods if in accordance with your wishes  
I will be glad if you would send all kind of  
clothes and an whiskey. I have a large quantity  
of goods of Dec. 2nd, and wish to give it a fair  
trial. The scales from and kettle I send very small  
I have a paper upon which to make a  
list of those who are sufficiently sick to be sent  
to hospital.

Very truly yours

## PROCLAMATION.

EXECUTIVE OFFICE,

*Jackson, November 21, 1861.*

Whereas, the Legislature has, by an act approved this day, authorized and empowered me to receive and muster into the service of the State any number of volunteers, not exceeding 10,000, by companies or squads, or individuals offering themselves, with arms in their hands, to serve in defense of Columbus, Ky., or any other threatened position, for sixty days:

Now, therefore, by virtue of the power thus vested in me, I will receive any company, squad, or individual tendered to me, armed and equipped: double-barreled shot-guns or hunting rifles will be considered efficient arms. It will be necessary for each volunteer to provide his clothing and blankets and cooking utensils of easy transportation, as provision of these articles cannot be made by the quartermaster of the State.

The places of rendezvous are Corinth and Grenada, where officers will be in readiness to receive and organize into companies, battalions or regiments such volunteers as present themselves. Transportation will be furnished from the depots nearest the place of assembling to the rendezvous for all companies, squads, or individuals.

The commanders of companies and squads are authorized to sign certificates showing the number of men and distance traveled by their respective commands, which certificates will be received as evidence of the indebtedness of the State.

All volunteers should provide themselves with three days' rations. All who have efficient arms I hope will bring them, and if they cannot, put them in the hands of some able and servicable man who will bring them to the aid of the State. Volunteers requested to be at places of rendezvous by Monday next, or as soon thereafter as possible.

Generals Reuben Davis and J. L. Alcorn will command the troops thus raised.

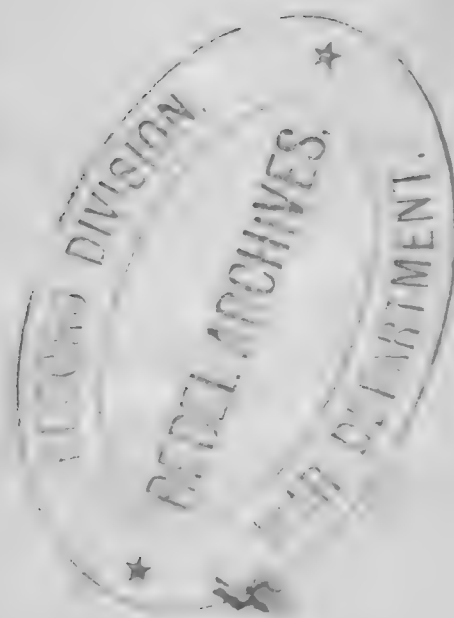

JOHN J. PETTUS.

Explaining Returns

Capt.

Wilmington N.C. Jan 20/62

Jan of 17<sup>th</sup> is to hand. I am under the impression Col Whitaker is mistaken in the Dept I send in. It was the Subsistence Dept and not Quarter Masters in whole I record. Unless therefore the state has made some special arrangement on the subject I take it my papers ought to be in the office of the Subsistence Dept. In regard to the special paper you ask for "proper return" I would state that I gave Col Johnston a full statement of stores & property the State had on hand in my hands. I next made out duplicate papers on this again for Capt Hogg. Unless there has been considerable oversight an inventory of property belonging to the State in my hands must be in Raleigh.

Many regulations of the House require to be executed for the funds paid them by me. I have nothing to do with these disbursements. They all come to the Treasury in their monthly and quarterly reports to the Comptroller General. I can have the whole state in three months. The same has been done to give notice and will do so. This is all that is possible for me to do, as with the distance from the funds I have nothing to do.

I will forward invited receipts as early as I can

Committee of Safety of the Town of Wilmington  
Wilmington N.C. 11th May 1861

The committee of safety of the Town of Wilmington have  
submitted for my verification a bill of Bacon furnished  
as is stated by one receipted for by M. J. Muskie dated  
7<sup>th</sup> June 1861 and amounting to Four hundred & forty two <sup>44</sup>  
Dollars. I have a distinct recollection of having received  
from the Committee of Safety two separate lots of Bacon  
said to have been brought over from the West Side of the River  
and not connected with purchases made by Mr H H Grant Agent  
for the Committee and all of which latter was received by the Wil-  
mington & Menden N Road on the East Side. I am satisfied  
that the lot of Bacon as per M J Muskie's bill dated 7<sup>th</sup>  
June 1861 and amounting to \$442<sup>44</sup> was received and is in-  
cluded in my receipts given to the Committee of Safety. It  
was used by us for the rations for the military in the service  
of the State of N.C. and I am. My impression is that my note  
to the Committee of 9<sup>th</sup> May 1861 for 3115<sup>th</sup> Bacon is in the lot  
referred to.

I certify that I have examined Surgeon W. H. Crane of the  
27<sup>th</sup> Regiment of Georgia Vols, and find that he has been  
suffering for the past seven months with Dyspepsia,  
which has during last five weeks, much increased in  
severity, and greatly debilitating him, and that  
in consequence thereof, is in my opinion, unfit for  
duty. I further declare my belief, even under favorable  
circumstances, that he will not be able to resume  
the duties of his office, in a less period than  
thirty (30) days, and that a change of climate and  
place, is necessary to his recovery.

Gov. Gist of South Carolina

Has been to New York, at suggestion of  
Secy Lloyd, to engage E. B. Lamar, Presdt  
of the Bank of the Republic to make an  
offer to the Secy of War for the required  
number of muskets - Mr Lamar has  
consented and five to ten thousand  
ordered to be delivered on his pay-  
ing for them. Col. Drayton desires  
the Gov to deposit \$25,000 in specie,  
to his order in the Sub-Treasury  
at Charleston to reimburse Lamar.  
Thinks tents, harness, &c can be  
had in Philada. Is desirous of  
finishing the work before a break  
up of the Cabinet occurs.

Washington 23<sup>d</sup> Nov 1860

To/ His Excellency

Gov. Wm. A. Hiest

Columbia S. C.

Dr. Sir,

I arrived here at 6 a.m. from N. York - where I had gone at the suggestion of Mr. Deland, to engage Mr G. B. Lamar Presdt. of the Bank of the Republic - to make an offer to the Secretary for such a number of Muskets as we might require. The Secretary at War was reluctant to dispose of them to me - preferring the intermediate Agency. Mr Lamar has consented to act accordingly - and to day the Secretary has written to the Commanding Officer at Watrohit Arsenal to deliver 5 or 10,000 Muskets (altered from Whit-t-Riv-cession) to Mr Lamar's order. Mr Lamar will pay the U. S. Paymaster for them - and rely upon the State to re-pay him. I have been most fortunate

with all possible despatch.

I expect to return at daylight tomorrow  
from New York for I am very anxious about  
getting possession of the arms at Watervliet  
and forwarding them to Charleston. The Cabinet  
may break up at any moment on differences  
of opinion with the President as to the right of  
secession - and a new Secretary of War might  
might stop the muskets going South, if not  
already on their way when he comes into  
office.

I will write to you again by the next  
mail.

The impression here and elsewhere among  
many Southern men is that, our Senators  
have been precipitate in resigning. They think  
that their resignations should have been <sup>ten-</sup>  
~~considered~~ ~~from~~ ~~their~~ ~~seats~~, after they had

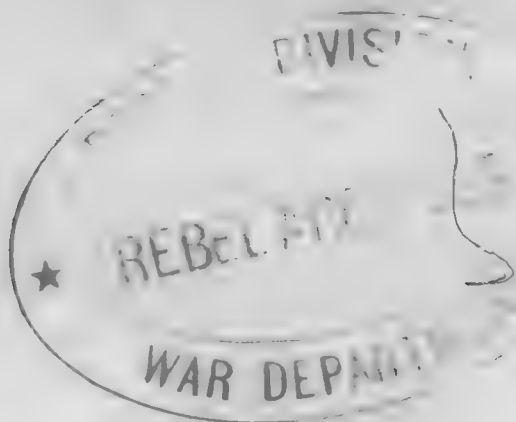

summoned to the Senate there, the State  
has succeeded. Occupying their seats up to this  
period, would have kept them in commu-  
nication with Senators from the South,  
and assisted very powerfully in shaping  
to our advantage coming events.

With much respect

I am but most

My return from Washington

To,

His Excellency

Governor Wm. H. Gist

Columbia S.C.

My dear Sir,

On the 22<sup>nd</sup> of last month I was in Washington and called upon the Secretary at War in Company with Senator Diggall of Texas, to make inquiries as to the efficiency and price of certain Muskets belonging to the U.S. which had been altered by the Ordnance Dept., from Flint to Percussion.

They will shoot for 200 yards, as well as any smooth bored gun in the service, and if sighted, will be effective at 500 yards. But if the conical ball be made lighter, by enlarging the hollow at the base of the cone, the effective range may be increased to 700 yards.

I should your Excellency give a favorable consideration to the above, I can have the whole

of which I have stated, and which are of  
the Board of Ordnance Officers, who to  
inspect & reported to the Secretary as they  
upon these muskets.

If 10,000 or more of these muskets are  
purchased, the price will be £20 (\$42) each  
less each. For a less quantity, the charge will  
be £2.50 (\$5.00) each.

If a portion or all of them are to be rifled  
the Secretary says he will have it done for  
the additional cost of (£1.) one doll. per  
barrel.

As this interview with Mr. Secy. Alogd  
was both semi-official & confidential, your  
Excellency will readily see the necessity should  
this matter be pursued further, of appointing  
an Agent to negotiate with him, rather than  
conduct the negotiation directly between the  
State & the Department.

I purchased one of the muskets and  
will forward it to you by Express on Mon-  
day next, as a specimen of the others, and hope  
it may be submitted to a very critical &  
close test, for I feel so assured of the matter.

of the weapon, to say nothing of the great  
saving to the State, should unhesitatingly at-  
- once purchasing several thousands of them.

I would have felt it my duty to have  
waited in person upon your Excellency, but  
the claims upon my time are so urgent,  
that I have been compelled to write instead.

There are many other important facts  
in connection with the above that, I could  
disclose - but will reserve them for some  
other occasion, that I may give them ver-  
-bally, as soon as I can find a day to wait  
upon you in person.

The State of Texas has engaged twenty  
thousand (20,000) of these muskets &  
the State of Kentucky purchased several  
thousands last summer.

Excuse this very hurried communication  
and believe me to be,

Dr. Sir

I sent a telegram to you this morning announcing my arrival here yesterday afternoon. On the eve of my departure from Charleston last Friday, I also wrote you a letter, and await the answer to it.

I called this morning upon the Secy. of War, to make arrangements for the immediate transmission of the Rifles to Columbia, but much to my astonishment, he informed me that, since he had looked over the Report of "small fire arms" (now enclosed) that, he found he had labored under an error in stating to me that, the 10,000 Rifles I had engaged - were ready for delivery whenever called for by me.

He said he could have them rifled - but  
it would take 3 or 4 months to execute the  
contract - but suggested that we should pur-  
-chase the 10,000 smooth bore Muskets  
instead - as a more efficient arm particularly  
if large sized buckshot should be used - which  
put up in a tin can capable of containing  
12 of them - would go penetratingly through a  
one inch plank at 200 yards.

I was very much astonished at the result of  
my interview with Gov. Flood to say, for  
he has not only informed me that the Rifles  
would be ready for me on my arrival, but  
told Mr. Ince as likewise - and that if I  
had been in Washington last Saturday, I  
could have got them. The fact is the Secretary  
has his engagement with me upon unoffi-  
cial information - and when he looked  
over the paper enclosed, containing the list of  
the five arms at the diff. Arsenal,

he discovered not only ~~the~~ his own mistake,  
but that he had had on into expectations which  
have resulted in the present disaster & present.  
If you will be satisfied with the smooth  
bore muskets like the specimen forwarded  
to you - I will purchase them. Better do  
this, although not the "best pattern" than  
be without arms at a crisis like the present.  
Col. Ring's Huger can give you much infor-  
-mation about these muskets. Mine is de-  
-rived not only from Mr. Flood - but also  
from Genl. J. E. Johnston Jr. Mr. Genl. who  
was President of the Ordnance Board who  
has these muskets changed from Flint to  
percussion and also from smooth bore to  
rifle. And he says for our purposes that, the  
smooth bore musket - is preferable to the al-  
-tord Rifle. The way, I cannot explain to  
day - as my affairs remain to some  
the hour which closes at 1/2 past 4 P.M.

To His Excellency  
Gov. R. S. W. Allston  
Charleston S.C.

My dear Sir

Agreeably to your request of the 4<sup>th</sup> ulto to examine while I was in New York "Martin's Improved Gun primer," I now have the honor of submitting to your Excellency the following brief Report on the merits of the same.

A few days after reaching New York, I received the musket and pistol, which Major Capers, by your order, forwarded to me from the Citadel, to have them adapted to Martin's Continuous Primer" on the purpose of having this new invention examined and tested in our State. I directed M<sup>r</sup> Martin to make the requisite alterations in the musket and pistol, and am in daily expectation of their arrival.

Although my examination of this improvement, was necessarily brief, on account of other claims upon my time while in New York, I nevertheless have ventured to recommend it to your favorable consideration for the following reasons. 1<sup>st</sup> Its simplicity, for unlike Magneto

and other self primers, which disguise the fire arm, this is an improvement to the appearance of it, and from the absence of any cone or nipple is highly favorable for obtaining a correct sight.

3<sup>rd</sup> The priming is more compact than other priming and the soldier is enabled to carry a much larger quantity of it.

3<sup>rd</sup> The Gun can be primed as quick as it would take to put on an ordinary Cap, and in about  $\frac{1}{4}$  of the time of Magnards. One priming contains about 20 primings but may be increased to 40 if desirable, by making a longer cut-off.

4<sup>th</sup> Safety and certainty of the discharge. The priming being made of raw material without any mixture of metal or paper, there will be no acidum, and of course nothing to cause the priming hole to fill up, hence a "miss-fire" cannot occur. Moreover a fire arm can be discharged oftener, because from the absence of metal or paper in the preparation of the primer, nothing remains to retain heat after the explosion of the fulminate.

5<sup>th</sup> In the presence of an enemy the Soldier from nervousness or undue haste is apt to neglect putting on the Cap properly. This risk may be entirely prevented by using Martins new Primer, which can be safely attached to the Musket or Pistol before going into action, and under ordinary circumstances, will serve for one days use on the field. I was informed by the Inventor that the Primer might be depended upon after having been soaked

in water 24 hours!  
6<sup>th</sup> As the fire arm is never primed till it is cocked and the primer is securely incased in a small metallic box - protecting it from sight or touch, it is impossible that any of the accidents which occur from carelessness, or an unexpected blow on the hammer can happen to a weapon with this improvement attached.

On being discharged successively 113 times it only missed on the 93<sup>rd</sup> fire.

And finally the cheapness, simplicity and safety of this new Primer, entitle it to a careful scrutiny from all who are in the habit of using firearms.

Besides the alterations to the Musket and Pistol, I also ordered 10,000 of the Primers to be sent on with them. The changes in the Musket and Pistol, in order to adapt them to this invention, will cost three dollars each. The 10,000 Primers are worth \$10.00 or \$1.00 per thousand.

I have the honor to be

I have the honor to call your attention to the case of Mrs. Hamilton and Mrs. Dural who have been granted permission to pass the lines by way of Salvia, as per special order No 101 Dist Head Q. 1864.

In obedience to which they were sent to the nearest point to Salvia, to pass out on the flag of liner boat, which however was delayed by the enemy until after the evacuation of Salvia which prevented them from going out at that time. I am informed officially, that this danger was to pass out at Pass Cavallo to the enemies ships out side, from the roughness of the breakers.

Where they first made one second attempt to get them out by way of Salvia.

I have suggested to them to communicate with the Major General asking permission to go out by way of Salveston

I have the honor to acknowledge  
the receipt of instructions (confidential) from  
the Maj. Genl (and) Dist<sup>t</sup> of 27<sup>th</sup> Dist and to state  
that mine (y) comp<sup>t</sup> of Pyron's Reg<sup>t</sup> Tex Cav. Maj<sup>r</sup>

tomorrow morning at daylight en route for  
Harrisburg.

Capt Tobin's comp<sup>t</sup>, has only one ~~man~~ <sup>man</sup> ~~off~~  
a 10 rank ~~off~~ <sup>off</sup> for duty when I inspected Pyron's  
Reg<sup>t</sup> today and Capt Tobin is unfit for active  
duty in the field as will appear from the  
Surgeon's certificate enclosed.

Whereupon my former Col. A. G. S. C. P.  
Langrain was relieved from my staff and  
ordered to Shreveport on 17<sup>th</sup> inst. I appointed  
Capt W. G. Tobin Pyron's Reg<sup>t</sup>, in his place and  
notified Dist<sup>t</sup> Head Qr. accordingly.

I also applied to Genl. J. Cooper through Asst<sup>t</sup>  
Ad. Genl. 20<sup>th</sup> inst. that Capt John should be ap-  
-pointed permanently to my Staff. It would  
be very embarrassing to have to select another day  
at this moment.

Under the above statement of facts, I hope the May  
Genl. Comds. will allow my application to Genl. Cooper  
- or to Mr. Kitchener - to be his order directing  
Capt John to proceed to Eagle Pass, together  
with his endorsement of 25<sup>th</sup> inst. telling me that  
I had no authority to select a Captain, but only a  
Lieut.

I will forward the names of Comrades, &c of the

On the 4<sup>th</sup> inst. I called the attention of

I have the honor to report the following information received from Lt. Col. Ogden at Victoria, showing the position of the enemy off Salina-  
Indianola June 10<sup>th</sup> 1864

the state of affairs below as follows: ten (10) vessels inside  
Two large Steamers, two three masted Schooners (Steam  
Propellers), three small Schooners. Position of most of  
them as usual. Some seem to be laid down the channel  
as if ready for sea - a small Schooner is in Salina  
Bay at the Devil's Elbow, perhaps as a guard  
boat."

Indianola June 11<sup>th</sup> 1864 -

Scout Reports, Saw vessels inside Six Steamers -  
one Schooner. Besides the Warrior lying close to Morris  
Point - the small Schooner lying yesterday at Devil's  
Elbow beating out. One of the Immortal Propellers  
might anchor, moved about a little, came to her old  
anchorage and stopped."

Indianola June 12<sup>th</sup> 1864 -

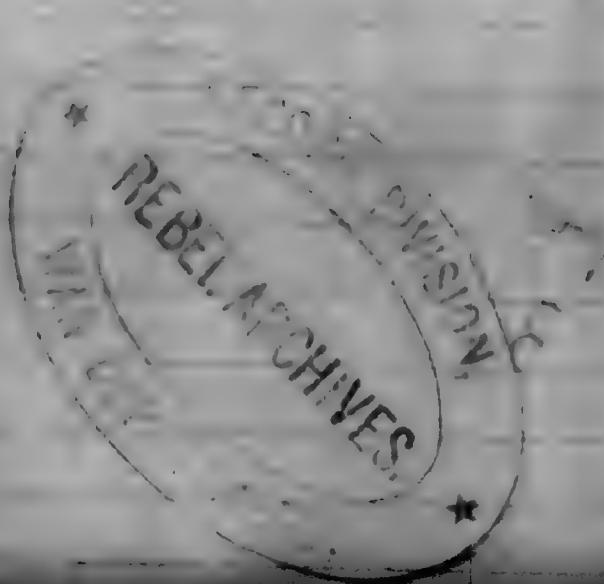

Learn that Capt. Brown & Lt. Connor, who went to  
Big Bay on the night of Thursday (yesterday) last have  
returned. I do not know if they succeeded in the object  
of their mission. (The Brig but will remember that these  
officers were sent from Meagher's on a scout expedition)  
Men A. J. Hamilton and party are now at this  
place (Victoria). They are only anxious to go out,  
and I told them that Gen. Meagher was not prob-  
ably direct that they be sent via Meagher's.  
I have heard nothing definite as to the movements

of the enemy at Salina. The Quartermaster at "Devil's Elbow" is a new thing - and finally I judge that they are contemplating an attack from us. My opinion is that they have removed a part of their force - and have but a garrison at Salina. who are protected by strong works. The following statements were made by Federal Officers - while they were back at Indian dg - and were told to a lady who repeated them to me - viz

with the remark, that I have not the slightest  
knowledge of the Company that is to build  
the bridge across the Colorado River.

If the so called Columbus Gap Railroad  
Company is alluded to, I would beg to state  
that I am forced to the belief, that it is but  
a myth.

Big But Drayton when he wrote the  
within communication was not probably  
aware that the three miles of road then  
named was built by the C S Government  
at an expense of over \$140,000.00 one hundred  
thousand dollars and to find the  
same (three miles) would cost the said  
Government over One thousand dollars  
per day.

I would beg leave to state, that the  
project of building a bridge over the  
Colorado river at this time, is impractical  
owing to the scarcity of mechanical labor  
& material.

The ferry at this point has been  
unusable for several days with the prospect of being so  
for some days to come. I must therefore respectfully  
suggest that the company which is to build the bridge  
at this place, be requiring to construct it immediately.  
Address the Comdg. Genl. as I should for the Presdt.  
Secretary. Superintendent or Engineer.

We have not as yet run to the river, though I am  
informed the road is finished. Most of my supply of meat  
for my troops comes from Eagle Lake, and I have been forced  
since the river in the river to cross it in skiffs, a very  
and very hazardous manner of supplying the command  
It is now raining very hard, the river rising rapidly  
and from the present state of it, it is probable I may be  
detained in crossing at Elliotts ferry, as soon as might be  
desirable.

I have the honor to transmit the following information from Lt. Col. Glavin dated June 12, 1864.

Since my last, it is reported to me that the enemy have occupied Cross Creek with a large force. My Sergeant just returned from Oak saw (7) steam boats near Mustang on Tuesday last for Corpus or in that vicinity.

There should be a stop put to the running off of saddle horses by way of Golias or that vicinity. A small force there would be sufficient. I have written to the P. M. Capt. Pierce in regard to the matter.

Nothing from the Reef. The enemy on Mustang are undoubtedly reinforced - how strongly I cannot as yet say.

of the five days duty he has been sent upon, as his  
services are particularly needed at this juncture, in  
preparing orders, not only in aid of our army to denude,  
but in forwarding out orders and unearthing suspected  
traitors in Galap and Refugio Counties, which are  
reported to be infested by them, with some others and  
spies holding frequent communication with the enemy.  
The only Regiment and Battalion available for these  
responsible services are Lyons and Bradford, not yet  
returning from the division of Meagardg; and as they  
both may be used through and passing discipline. It is  
reluctant to make any detachment from them, unless  
they have been some weeks together under the

immediate management of Col. Bannister.  
Col. Mann and McLeod (Prin.) Engineers have not  
yet reported. I have dispatched Special Messengers to enquire  
into the cause of the delay and bring them forward to Col.  
Bannister Wg. Ds.

To put down the law prevalent practice of harboring  
deserters, protect the citizen against marauders, delin-  
quents, and the Enrolling Officers in the execution of  
their duties and in a very restor security and quick  
to these matters (at Lieut). I must have active and  
efficient Officers and men.

In Capt. Fort's Company I find both, and at the  
same time a nucleus to associate less responsible  
companies that I may wish to cooperate with his small  
troop in carrying out important orders.

I therefore the Major Gen. Comd. will retain Capt  
Fort's Company and also assign to my command the  
"Ladies Legion" now at Eagle Lake and drawing orders  
from his Post, I will immediately send both in the  
direction of Moultrie Island and Indianola, feeling  
assured that Capt Fort will be able to furnish me much  
valuable and reliable information, and give  
protection to an alarming and excited community.

us from making the necessary consultations in the direction of

Our Affairs improve as the Enemy retreats & vacates the  
works and the City of Brownsville on the evening of the 30<sup>th</sup>  
they did so they had a strong force.

They occupied the town  
the side the mouth of the Rio Grande.

C. Johnston, commanding a  
portion of our troops under command of Gen. C. F. Smith  
moved into the City of Brownsville and took possession. It  
was in much better condition than we expected to find it.

Fort Brown is quite finished. It is a strong fort,  
but we have not a single piece to defend it. All the other  
works are well fortified & completed.

Gen. Johnston has picketed the roads  
and stationed our infantry guards.

He has sent a force  
of fifty picked men to find the Out post of the Enemy.

As soon as our horses are a little better  
we shall continue to harass the Yankees.

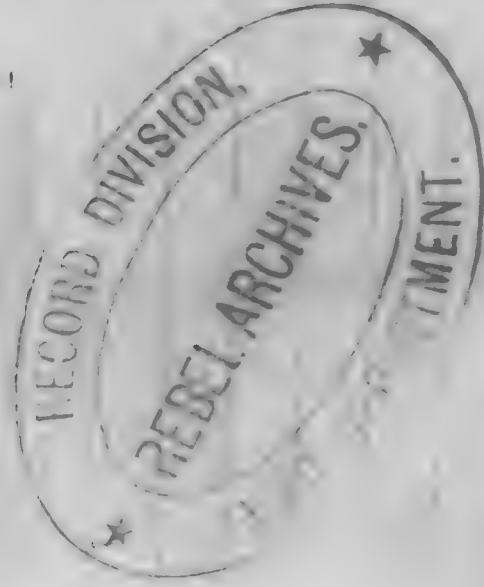

The families of our  
friends will be invited to return, and every thing possible done  
to promote the interest of our cause, and to perpetuate the good  
understanding existing between ours and the Mexican Authorities.

Head Quarters Western Sub District

To the Adjutant General

District Texas New Mexico & Arizona

Colonel

I beg leave to acknowledge the receipt of General Order  
N<sup>o</sup> 160 dated 18<sup>th</sup>, relieving me from the command of the  
Western Sub District.

As the point in which I may expect my successor is uncertain, and  
as the emergency requires in my judgment the presence of a  
General Officer upon the Rio Grande, I shall proceed in  
the direction of Brownsville tomorrow, with the intention of  
returning with all possible dispatch - say, between 20 and 30  
days to these Head Quarters.

I shall of course comply with my instructions to make my Head  
Quarters at Houston, but I shall do so with regret - for since  
I have been in Texas, my command has been westward. First,  
between the Brazos and the San Antonio - and now, between the  
Colorado and the Rio Grande, with Head Quarters at this town -  
and at the very moment, in which I am becoming acquainted  
with the topography of the country and the men and officers  
I am to command, to be removed to a strange country and  
strange troops so unexpectedly, I cannot but regard as prejudicial  
to the Service and most detrimental to my efficiency as an  
Officer.

Presuming however that Gen Slaughter will have  
reached San Antonio by my return from the Rio Grande,  
I shall of course comply with my instructions, unless in the

mean time. I receive orders to the contrary -

General,

In yours of the 24<sup>th</sup> inst. just received,  
you state that you are informed "that companies are  
being formed (in my command) from persons sub-  
ject to conscription." And that "I am directed to ex-  
amine under what authority these companies are being  
raised."

Now if there are any such companies in this Sub Div.  
they have not yet reported to me. When they do come  
under my notice, your instructions will be rigidly en-  
forced.

The troops which have arrived up to date, are Col. Pyons  
Regt. Col. Bradford's Battalion of 7 Comp. Capt. Rook,  
unattached Co. Co. and Capt. Lewis's Nichols Light  
Battalion. Col. Bates Regt, the four Cos. of Cavalry Scouts,  
and Lt. Col. Stokes four Cos. I found them when I came.

Col. Pyron's Regt. numbers 202 effectives present - 257 rank  
specific absent without leave and two whole companies  
on furlough by leave of Lt. Col. Walker.  
I have not yet received correct returns of the strength of  
1st Bn. 1st Batt. 1st Regt. from the rough report sub-  
mitted by this officer, I can safely state that not more  
than three of the company reach the minimum that we are  
allowed this being mixed into service.

I feel very solicitous on account of the tardy measures we  
which the troops expected here, report to me. For I need  
an increased force to watch the coast, suppress the ma-  
rauders & deserters who are plagues among the citizens and  
extend to the Government officers the aid they apply for, to  
sustain their authority. I have sent against the marau-  
ders all my available force, but until we enforce our com-  
mand I shall continue unable to protect the citizens to the extent  
they have a right to expect.

I am very respectfully

Sir:

I have the honor to enclose  
the accompanying communication from Maj. W. Wyllies  
Provost Marshal General and to state that I consider it  
unofficial like and discontinue. I do not recognize the right  
of Maj. Wyllies to address me in his own name -

Any official communications emanating from him, former  
~~should~~ be by order of the Maj. Gen. Commanding the District.

The two passes referred to, and ~~relating~~ were issued by Mr  
A. Jones, a citizen of this place, who was temporarily appointed  
by me as Provost Marshal, and his confirmation asked for,  
but disapproved by the Maj. Gen. on the ground that citizens  
could not be appointed to that position. I recommended Mr  
Jones for the post of Provost Marshal, having no officer  
available for that duty - and knowing that two other citizens  
were acting in that situation <sup>within the limits of this Sub Dist.</sup> I made application accordingly  
for Mr. Jones.

Mr. A. Jones was relieved from his position on the receipt of the  
communication disapproving his appointment of the 7th inst.

Colonel,

Yours of the 2<sup>nd</sup> inst. (Confidential)

has been rec<sup>d</sup>. and contents noted.

But in order to execute the instructions therein con-  
-tained, I must have an increased amount of  
Transportation

Capt. Wolfe U. S. M. has some time since made  
the requisite requisitions for more teams and  
wagons upon Maj. Bloomfield Chf. of Mr. of  
dist<sup>s</sup> which have been furnished, & until they  
arrive, the preliminary arrangements preparatory  
to an advance must necessarily be slower than  
the present emergency may demand.

The Maj. Com<sup>d</sup> Com<sup>d</sup>, may not satisfy however  
that all will be done that my limited means  
will permit.

As Col. Rankin has been ordered to Houston  
as a witness - I will go myself tomorrow in the

direction of Victoria in the lower valley of the San  
Antonio, to complete the arrangements which I  
directed that officer to make, and which his return  
to Houston will prevent him carrying out in  
full.

If Capt. Wolfe A. Q. M. does not hear by tomorrow  
mail that additional transportation is on the way  
at this Post, I have directed him to proceed to Hous-  
ton to have an interview with the Maj. Gen'l Comd.  
and obtain if possible the facilities for making the  
move in question.

The line of couriers to Victoria was established  
before the arrival of go. letter. The line towards  
Col. Ford's then <sup>to</sup> by <sup>the</sup> communication & finished  
with dispatch.

Dear Hd. Qrs 2<sup>nd</sup> & 3<sup>rd</sup> Mil. Sect. Posts

Col. A. C. Jones

Chief of Staff.

Houston Tex.

Colonel,

Complaint has <sup>been</sup> made to these Hd. Quarters by Private J. Walter Nichols 1<sup>st</sup> Battery, that Sgt. Messinger <sup>Manager</sup> of the same Battery, was <sup>im-</sup>properly elected 2<sup>nd</sup> Lieut. of his company on the 4<sup>th</sup> inst. in consequence of the two 1<sup>st</sup> Lieuts Robert & Root. He claims that without these votes, he himself would have been the duly elected 2<sup>nd</sup> Lieut.

Sgt. Morrison is now in Houston to stand his examination before the Board, and as his election is now questioned, I refer the matter for decision to Dist<sup>d</sup> Hd Quarters, as to the right of the company of men, to vote to fill vacancies like the above.

My own opinion is adverse to the exercise of the privilege.

Very truly,  
Yr Obedt. Servt

Columbus, Texas - Trans. Miss. Dep't.  
11<sup>th</sup> May 1864

My dear Willie,

As your brother has concluded to resign  
I have appointed you upon my staff in his place.  
I have written to Genl Cooper to have you appointed and  
ordered to join me here. If you don't get the appointment  
within a fortnight after you receive this, get a leave of  
absence and go on to Richmond, & show my letter of appt.  
to Genl Cooper and ask for the commission yourself. This  
will be the shortest & surest way of getting the matter arranged.  
Stay in Richmond as short a time as possible as the expenses  
are heavy. Hunt & F. Swin, who was my Secretary at Wash-  
ington and he will put you through the office. He is in the Treas-  
ury Dept. When in Richmond call upon Mrs Davis and in-  
troduce yourself & tell her when you are coming to & ask  
her to introduce you also to the President. But get out of  
Richmond as soon as possible.

Draw upon Savage & Howard for money to take you  
to Richmond & to Texas.

Get some decent & durable companions de voyage,  
as when you get to Meridian or Brandon Miss. be sure to  
inquire for my old friend Genl Mac Mackin Or. Master of  
Transportation. Introduce yourself as he will help & advise  
you. I expect you will have to buy a horse, saddle &  
saddle bags in Miss. & show him over the Miss. river  
as I did my mules.

If you have time when in Richmond call on Capt Lewis  
of the Army & Mr Lewis Congress Comptroller of the Treas.

They are friends of mine and much pleased to hear from you.

Buy a few things with you as possible. You will be better able to uniform yourself on this side - unless my little friend Major Miller in Charleston can put you in the way of doing so. But as you have work here to be put in I suppose you cannot carry anything else on a horse and I think you will be lucky enough to get a lift in a wagon.

Buy a pistol if you can and keep your eye upon your pockets & baggage both night & day - both in R. Road Cars and Hotels. You must guard your watch about you at all times.

As soon as you receive this acknowledge it. Also when you are about starting or have got your appointment of de la Camp with again - either through some Military Agent or by way of Mobile can of "Editor of Mobile Advertiser" enclosing \$5 to him to pay the carrier. Don't go to Columbus, Dist. of Louisiana New Mexico.

I hope this will find you well and that you will get home both soon and safely.

In Richmond you may obtain perhaps information and aid, that will assist you in making your journey to me.

When you start on your journey, feel full assured that it is to be a tedious & dangerous one.

Ever truly and fondly yours

Your affectionate father

Thos de Draghton

Your letter, accompanying  
 my communication from Auditor's Office in relation to my

 of reaching home by train, tomorrow, you will therefore excuse  
 my not answering it at once. At your convenience please call on Mr.

 referred. I am frequently the person from whom the informa-

or four days I will take advantage of the latter and endeavor  
to give you a journalistic detail of our recent wonderful and  
trying campaign -

A. S. Jew,

Recd. May 30<sup>th</sup> 63,

Dear Sir,

Mr. P. H. H.

Near Guinea's Station May 26<sup>th</sup> 1863 -  
Dr. Lehigh, Brower  
Richmond.

Dear Doctor

I am sorry  
to trouble you so often with my little  
Commissions, and really feel as if I  
am imposing on your good nature, as well  
as taking your time, but hope to be so  
situated, one of these days, as I may recip-  
rocate all this ~~kindness~~ kindness - I may be  
a Surg. Genl one of these days and your  
oldest ~~by~~ might want a "Commissi-  
on"?

I enclose the Certificate  
relating to my horse, corrected in ac-  
cordance with the suggestion of the dis-  
tinct - please to present them to his  
consideration. get his order to the proper  
of the Auth. of the horse's collection and for-  
ward to me at your earliest convenience.

I ought not seeing you again

during my limited stay in the City, nor do  
I believe the fault was mine that I did not. I  
called again at your office, but mistook the hour  
and found it closed, I however stayed on till  
I found myself in very agreeable company in  
the office. I felt fully compensated for the dis-  
appointment in not seeing you?

The medicines &c. I required for  
myself in Richmond, which should have been sent  
up on Saturday morning last, have not yet been  
received - I suppose from the difficulties of trans-  
portation they were not shipped.

Your letter written about the time  
I went to R. has not come to hand, but  
suppose, after the Post Masters have turned it  
around in the mail bags a few weeks, they will  
send it along to its proper destination.

I have just rec'd an invitation  
to Col. Rogers' wedding and if the Rev. Mr. Chapman  
R. L. will graciously approve my application  
for a short leave or doubt a abundance of enjoy-  
ment will be mine? Rogers means a trip

Winston near Hannon S. H.

The prospect of an immediate move  
of the army as far as I can understand affairs.  
that an early move is contemplated I have every  
reason to believe, but whether or not it does not  
entirely depend on the result of Johnston's opera-  
tions in Mississippi I cannot say. However  
should Johnston be eventually successful I am satis-  
fied this army will push for Maryland.

Love to Miss Mary when you see her? Regards  
to Dr. William and Smith - I believe me truly

Brig. Genl J. G. Walker

Sir

On the 30th Ult. I transmitted through Col. S. Babette French a communication from Brig. Genl. Wm. Mahone to the Hon. Geo. W. Randolph Secretary of War. — In that communication Genl. Mahone ~~pleaded~~ recommended my Appointment as Major of Artillery and my assignment to the Command of the Main Battery at Drury's Bluff a position which I then held in the course of his Arrangement and for reasons stated in the Communication. — On the day upon which Genl. Mahone's letter was presented I received a reply from the Hon. Randolph confirming the Appointment upon me and assigning me to the Command of Fort Drury from which it is perceived there could have been no mistake as to the result sought to be accomplished. — To day I am in receipt of a communication from Adj. Genl. and Insp. Genl. S. Cooper wherein he says "The order given to you in the body of your (my) Appointment as Major of Artillery is hereby revoked" I enclose to the Department the right to make the change and shall most cheerfully acquiesce but as will appear by a reference to the Papers my Application and acceptance were both based upon the propriety of my Appointment to the Command of the Battery and I did not propose to enter the Genl. Service that season and for other which are essential to a

for indication of my own feelings and self respect  
but deemed unimportant to the Department. I beg leave  
that respectfully to assign my Commission as Mayor  
of Albany
